

CITY OF LE SUEUR
REQUEST FOR COUNCIL ACTION

TO: Mayor and City Council

FROM: Richard Kucera, Public Services Director

SUBJECT: Approve Construction activities outside of the City defined working hours

DATE: For the City Council Meeting of Monday, April 27th, 2020

PURPOSE

Approve extended working hours for the CSAH 22 Project.

SUMMARY

Per the City Code, Section 97.05 Noise Violations, Section B, Hourly restriction of certain operations, number 3, Construction activities, "No person shall engage in or permit construction activities involving the use of any kind of electric, diesel or gas-powered machine or other power equipment, except between the hours of 7:00 a.m. and 10:00 p.m. on any weekday or between the hours of 9:00 a.m. and 9:00 p.m. on any weekend or holiday."

Through the course of this project, there may be times like April 23, 2020 where there is benefit to our businesses and residents to perform the work outside of the normal hours. When this is to occur, staff will coordinate with businesses and residents to plan the work activities to minimize impacts. Locations affected will also receive a notice similar to the attached.

ACTION REQUESTED

Staff recommends the City Council approve work outside of the hours in Section 97.05, Section B for successful completion of the CSAH 22 project.
