

CITY OF LE SUEUR  
REQUEST FOR COUNCIL ACTION

TO: Mayor and City Council

FROM: Jasper Kruggel, City Administrator

SUBJECT: Resolution Directing the Annual Review of the City of Le Sueur Parks, Open Spaces, and Trails Plan

DATE: For the City Council Meeting of Monday, April 27<sup>th</sup>, 2020

---

**PURPOSE**

Consider a resolution directing the Recreation and Parks Advisory Committee (RPAC) to review the adopted Parks, Open Spaces, and Trails Plan annually and recommending amendments to City Council.

**SUMMARY**

On April 13, 2020, the Le Sueur City Council adopted the City of Le Sueur's first Parks, Open Spaces, and Trails Plan. The adoption of the plan signifies a new planning tool for the City of Le Sueur's park system. A plan of this nature is indeed living and needs to be kept relevant to reap the benefits related to grant applications, grant funding, and general City planning.

Resolution R2020-009 directs RPAC to review the Parks, Open Spaces, and Trails Plan annually and to provide recommendations and amendments to City Council. If RPAC shall ever cease to exist, this resolution indicates that City Council shall review the plan annually and make amendments as they feel fit.

**ACTION REQUESTED**

Staff recommends that City Council adopt Resolution R2020-009 - Directing the Recreation and Parks Advisory Committee (RPAC) to Review and Provide City Council Amendment Recommendations related to the City of Le Sueur Parks, Open Spaces, and Trails Plan.
