

CITY OF LE SUEUR
REQUEST FOR COUNCIL ACTION

TO: Mayor and City Council

FROM: Richard Kucera, Public Services Director

SUBJECT: Agropur Water Service Termination – Demolished Building

DATE: For the City Council Meeting of Monday, April 8, 2019

PURPOSE/ACTION REQUESTED

Consider the approval of Agropur Inc. requested an extension to remove water and sanitary sewer services to the property located at 700 Main Street North (PIN 21.540.0600).

SUMMARY

Agropur Inc. has removed the building from 700 Main Street North and intends to use this property as a parking lot. Staff has requested that the water and sanitary sewer services be removed to the City-owned mains.

Agropur Inc. has asked for an extension in the completion of the work. This is due to the planned TH112 turnback project that is planned to start in the City limits next year.

Staff believes this is acceptable due to the timeliness of the planned project.

PURPOSE/ACTION REQUESTED

Staff recommends a motion that City Council approve the Agropur Inc. request to extend the completion of the removal of water and sanitary sewer services at 700 Main Street North until the TH112 turnback project occurs at this location.
