CITY OF LE SUEUR
REQUEST FOR COUNCIL ACTION

TO: Mayor and City Council
FROM: Joe Roby, City Administrator
SUBJECT: Discuss City Council Goals
DATE: For the City Council Work Session of February 9th, 2026

PURPOSE

Discuss setting of City Council goals.

SUMMARY

At its February 26, 2024 regular meeting, the City Council adopted a series of goals for the 2024 – 2025 biennium. The final, adopted goals are attached to this memo.

Historically, the aim of establishing goals has been to provide a living priority list of projects and efforts that City Council wishes to undertake. Goals may be short- or long-term, may be of varying complexity, and have traditionally had ties to the City's 2040 Comprehensive Plan.

The February 9, 2026 Work Session provides an opportunity for City Council to review prior goals and discuss future goals and goal timelines. Goals for 2026-forward would be brought back to a future City Council meeting for consideration and adoption.

Staff recommend City Council discuss the setting of Council goals.
