# Le Sueur Living

## ARBOR DAY • APRIL 26, 2019

Local 2<sup>nd</sup> Graders joined us once again for our annual Arbor Day Celebration. Thank you to the Le Sueur Rotary and Modern Woodmen for jointly sponsoring the event with us. We had a picnic, scavenger hunt, and rounded out the event with a tree-planting demonstration!

### COMMUNITY GARDEN

[A project by the Le Sueur Streets & Parks Dept.]

We still have FREE private plots available for use. The Community garden is located at 404 Turril Street (former Presbyterian Church). For more information on guidelines, or to apply for your own plot, please contact Kaari at (507) 665-6401.

Applications are available at City Hall.

**Let's Get Growing!**

### CONSUMER CONFIDENCE WATER REPORT

Le Sueur works hard to provide you with safe and reliable drinking water that meets federal and state water quality requirements.

To view our 2018 Drinking Water Report, visit: [www.cityoflesueur.com](http://www.cityoflesueur.com).
