Firefighter of the Year Pete Burns

Congratulations to Pete Burns, who was recently named Le Sueur Firefighter of the Year! Pete has been a member of Le Sueur Fire Department since 2006, and this is his second time winning this award. We'd like to thank Pete for his service to our Community!

Happy St. Patrick's Day Sunday, March 17th

So. Much. Snow.

Our record snowfall may be pretty, but with it comes a lot of extra work with shoveling, snow blowing, and plowing. Here are some reminders about clearing all that snow!

Sidewalks

Property owners are responsible for shoveling sidewalks. Please be a respectful neighbor and clear your sidewalks to keep Le Sueur a walkable community for all. We want our residents and students to get to and from their destinations safely and allow easy passage for them.

Snow Emergencies

We have declared five snow emergencies in 2019. Snow emergencies are put into effect so that we can properly clear snow from curb-to-curb, allowing for safe passage of traffic. As a reminder, all vehicles must be cleared from City streets during snow emergencies or they will be ticketed and towed. **Don't miss out on our snow emergency alerts!** They are published on our website, social media pages, and with local media. You can also sign-up for alerts – delivered via text or email. For step-by-step instructions, visit our homepage at: www.cityoflesueur.com.

Fire Hydrants

It's important to keep your fire hydrant clear of snow. Thank you to those who have been helping with this! The Le Sueur Fire Department recently cleared all hydrants in Le Sueur – please help keep up with this for any subsequent snowfalls this year. House fires double in size every minute so we don't want our firefighters spending precious time clearing accumulated snow when they are dispatched.

Stay safe and stay warm, Le Sueur. Spring is almost here!
