

City of Le Sueur Adopt-A-Park Program Task List and Approved Plantings

Thank you for adopting one of Le Sueur's parks. You are making a difference in our community! With your help, we are making Le Sueur an even better place to live, work, and play.

To get you started, we have provided a **task list** to be completed as part of your park adoption:

- Plant flowers
- Water flowers
- Trim shrubs
- Rake leaves
- Pick-up litter
- Clean-up amenities

The Public Works department will provide necessary equipment for cleanups.

If your group so desires, you may take the project further by painting buildings, completing small repair projects, etc. Please note: these items will require approval from the Public Works department.

Approved Plantings

Perennial & Flowering Plants:

Basil	Asters	Calendula	Celasia	Cosmos
Marigolds	Zinnia	Purple Coneflower	Buck Wheat	Canols (Rapeseed)
Ferns	Bee Balm	Day Lily	Foxtail Millet	Various Grasses

Shrubs:

Amelanchier (June Berry)	Blueberry	Elderberry	Red Twig Dogwood
Viburnum	Rhododendron	Honeysuckle	Trumpet Vine

Trees:

Pear	Apple	Crab Apples	Conifers	Spruces
Pines	Cedars	Varieties with Dense Foliage		

Bird Habitat – a Successful Bird Habitat Includes:

- Year-round food source (especially in the winter)
- Nesting areas
- Ground cover
- Safety areas for cover

Please let us know when you will start your project by emailing Rich Kucera at rkucera@cityoflesueur.com. We will be taking pictures of your group caring for your park and providing recognition via the City of Le Sueur's website and social media. We look forward to working with you!

Questions should be directed to Scott Schroeder at (507) 593-8378 or sschroeder@cityoflesueur.com
