Le Sueur Living

Night to Unite Postponed to Tuesday, October 6th

Night to Unite has been rescheduled to October 6th. It is one of our favorite nights of the year here in Le Sueur and the Le Sueur Police Department looks forward to visiting your neighborhood gatherings. We will provide more information as it gets closer.

Questions?
Call the Le Sueur PD at (507) 665-2041

City Offices Will Be Closed on
Friday, July 3rd in Observance
of Independence Day

2020 Elections and City Council Vacancies

Are you a registered voter? Do you want to make a positive change in your community? You can do so by running for City Council! This year, we will have four council member terms expiring (three council members and one Mayor).

The Le Sueur City Council exercises the legislative power of the City of Le Sueur and determines policy matters. For our Council to make effective decisions for the City of Le Sueur, we need willing and engaged citizens to serve in this capacity. Candidacy for elective municipal offices will open at 8:00am on Tuesday, July 28th and run through 5:00pm on Tuesday, August 11th. Election day is Tuesday, November 3rd.

Filing for candidacy is easy! Forms are available at: <https://www.cityoflesueur.com/218/Election-Information>

1. Fill out an affidavit of candidacy form.
2. Submit a petition to City Hall signed by 25 eligible voters
3. Pay a \$2.00 registration fee

For more information about running for one of the vacancies, please stop by City Hall at 203 South 2nd Street or call us at (507) 665-6401.

Minnesota Primary Election: Tuesday, August 11th
General Election: Tuesday, November 3rd

THE CITY OF LE SUEUR IS OFFERING A ONE-TIME WATER METER CREDIT

There are 2 ways to receive a \$25 per water meter credit on your City Utility Bill.

Method 1: Log on to SmartHub: Log on to SmartHub (our online utility billing portal) on the mobile app:

1. Open and log-in to the SmartHub app on your mobile device.
2. Click on Report an Issue/Inquiry.
3. In the drop-down menu select Wtr Meter Image on Mobile ONLY.
4. Take a picture or select a picture already in your photos on your mobile device. Note: the picture must be taken from directly above the water meter with the top lid open with the water meter number showing and the reading being legible in the picture. If these items are not included the water meter picture will not be accepted.
See Example at End of Document
5. Type your phone number so we have a number to contact if we need a different picture or additional information.
6. Click the blue "Submit" button.
7. Once this picture has been processed, a credit will appear on your bill of \$25 for each water meter (potential \$50 if you have an essential and a non-essential water meter).

Method 2: Email a Picture: Send in a picture to the email address provided below. This method may take additional time to process as additional time is needed to link it to your account and place it in our filing system.

1. Take a picture of the water meter on your mobile device. Note: The picture must be taken from directly above the water meter with the top lid open with the water meter number showing and the reading being legible in the picture. If these items are not included, the water meter picture will not be accepted.
See Example at End of Document
2. Include all information from the list below so we can correctly identify your account and water meter.
 - a. Name on account (first and last)
 - b. Phone number (if we need to have you retake the picture)
 - c. Account number
 - d. Service address (this could be the same as mailing address)
 - e. Note if it is an outside (non-essential) or inside (essential) water meter. **If you have two meters – they will both be located inside of your home. We will need to know which one feeds the inside of your property and which one feeds the outside of your property (outdoor faucets).**
3. Send the email to the email address: billing@cityoflesueur.com.
4. Once this picture has been processed, a credit will appear on your bill of \$25 for each water meter (potential of \$50 if you have an essential and a non-essential water meter). **Please be sure your picture looks like the example below and the whole meter is in the picture.**
