### A Message from Le Sueur's New City Administrator, Joe Roby!

Hello! I am thrilled and humbled to serve as the City of Le Sueur's new City Administrator. There are so many exciting projects taking place in our community, and it is an honor to work toward moving our city into the future. From partnerships with local service organizations, to much-needed infrastructure updates, to key conversations around the future of recreation for our community, there is much to celebrate, and many ways to get involved. Be sure to follow us via social media for the latest and greatest, and wishing everyone a safe and enjoyable June!
