Leaf Disposal & Compost Site Reminders

Heading South for the Winter?

Pause Your Refuse Service with One Easy Step

If you are temporarily leaving your home, you can very easily pause your refuse service during your extended stay away from home. Please note – the city will not offer credits. To utilize this service, just follow these steps:

- Call City Hall at (507) 665-6401 OR
- Email billing@cityoflesueur.com

You will need to inform of us the dates you will be leaving your residence. During that time, we will pause your garbage service and you will not be charged for this service. City staff will take care of notifying Waste Management that you will not need pick-up of refuse and recycling until we hear back from you. As soon as you know your return date, please call or email us to resume all of your utility and refuse services.

If you have any questions, please feel free to call City Hall at 507-665-6401 or send an email to billing@cityoflesueur.com and we will be happy to assist you.

We hope you all have been enjoying the beautiful colors this fall season brings to the valley. As a reminder, it is the responsibility of our residents and business owners to dispose of leaves properly. It is illegal to deposit them in City streets, curbs, and gutters (Ordinance 96.02), so we appreciate your compliance.

We should also note that leaves should not be burned. **We encourage residents to bring their leaves, brush, and branches to the city-owned compost site at 505 Boright Street.**

Please be respectful of the City's compost site. Only organic materials may be brought to the compost site. No treated wood, plywood, building materials, etc. can be accepted and violators will be prosecuted. If you witness any illegal dumping, kindly contact the Le Sueur Police Dept. at (507) 665-2041.

Calendar At-A-Glance

Election Day

Tuesday, Nov. 8th
