# Le Sueur Living

## It's "Building" Season!

Not sure what projects require a permit? We're here to help!

Permits and inspections help ensure that the buildings where we live, work, and play are safe and maintain value over the years.

Here are some common residential projects that require a permit:

- Siding Installation
- Window Replacement
- Reroofing
- Residing
- Deck Construction
- Egress Window Installation or Replacement
- Remodels
- Wall Removal or Adding Openings in a Wall
- Fences (Zoning and/or Building Permit)
- Retaining Walls Over 4 Feet in Height
- Sheds (Zoning and/or Building Permit)

Residential projects that do not require a permit:

- Interior or Exterior Painting
- Replacement or Installation of Floor Tiling, Carpeting, Wood Floors and Similar Finishes
- Cabinets and Countertops
- Sidewalks or Driveway Replacements That do not Change from their Existing Size and Location
- Swings and Other Playground Equipment

If you have questions, please call our building department at 507-593-8317. You can apply for a permit online by visiting [www.cityoflesueur.com](http://www.cityoflesueur.com) and clicking on the "Permits and Forms" link.

## Consumer Confidence Water Report

Le Sueur works hard to provide you with safe and reliable drinking water that meets federal and state water quality requirements. Our 2022 Drinking Water Report is available on our website: [www.cityoflesueur.com/206/waterwaste-water](http://www.cityoflesueur.com/206/waterwaste-water). Again, this year, our water quality meets federal drinking standards.

## Calendar At-A-Glance

City Council Meeting
