HOUSE AND LOT NUMBERING

§ 92.045 MANDATORY COMPLIANCE WITH SUBCHAPTER.

On all streets in the city, houses and buildings shall be assigned numbers in accordance with the provisions of this subchapter.

(1973 Code, § 23-10) (Ord. 200, passed 7-2-1926)

§ 92.046 NUMBERING PLAN FOR BUILDINGS ABUTTING UPON STREETS; DUTY OF PROPERTY OWNERS AND OCCUPANTS TO POST NUMBERS ON BUILDINGS.

The plat made by a surveyor which shows the plan and system of numbering the buildings and lots, as required by the United States postal service in connection with free mail delivery in the city, as heretofore approved and adopted by the City Council and which is on file in the office of the City Clerk, is hereby continued in full force and effect; and all owners and occupants of buildings abutting upon the streets of the city are hereby required to procure instructions from the City Clerk as to the correct numbers of their respective buildings and to cause correct and proper numbers to be placed and maintained on their respective buildings in a conspicuous place at all times.

(1973 Code, § 23-11) (Ord. 200, passed 7-2-1926)

§ 92.047 DETAILS OF NUMBERING PLAN.

(A) There shall be allotted to each block or length or distance corresponding thereto, 50 numbers and one number shall be deemed to cover 25 feet, more or less, lineal front distance.

(B) All numbers within the 50 allotted to each block or distance corresponding thereto and not absorbed consecutively by the subdivision provided for, are to be disregarded; and the subdivision of lots laid out in special or irregular width shall conform as near as possible to the general plan.

(C) On streets adjoining land not laid out in blocks, a lineal distance not exceeding the size of an ordinary block shall be covered by numbers hereinbefore allotted to each block, and surplus numbers are to be disregarded as aforesaid.

(D) All streets running easterly and westerly shall be divided by Main Street or an extension of the line corresponding thereto, and the numbers on the streets shall commence with 100 and 101 on Main Street and run therefrom easterly and westerly respectively.

(E) All streets running northerly and southerly shall be divided by Bridge Street or an extension of the line corresponding thereto, and the numbering of the streets shall commence with 100 and 101 on Bridge Street and run therefrom northerly and southerly respectively.

(F) On all streets running easterly and westerly, the odd numbers shall be on the northerly side and the even numbers shall be on the southerly side of the street; and on all streets running northerly and southerly, the even numbers shall be on the westerly side and the odd numbers shall be on the easterly side of the street.

(1973 Code, § 23-12) (Ord. 200, passed 7-2-1926)
