Members Needed for Boards & Commissions

Do you have an opinion about Le Sueur's future? Put it to work by joining one of our boards or commissions!

The City of Le Sueur has a variety of boards and commissions that offer an excellent opportunity for residents to volunteer their time on significant matters. Boards and commissions are generally advisory, but a key part to decision making.

We currently have two (2) vacancies on the Le Sueur Planning Commission. This board researches, reviews, and makes recommendations on issues related to land use and development for the City. Commissioners serve a three (3) year term.

These committees play a vital role in shaping our City.
