

## CLEAN ENERGY **CHOICE**

## GREEN POWER! CLEAN ENERGY FOR YOUR BUSINESS

The **Clean Energy Choice** program allows Le Sueur Electric Utility business customers to receive 100% of their electricity from environmentally friendly, renewable sources. Meet your renewable energy goals and promote your business as being powered by 100% renewable energy by signing up today!

### **Program Pricing**

An incremental charge of \$0.002 per kWh above regular rates. The charge is only applied to kWh in excess of the 25% Minnesota Renewable Energy Standard. Billing will be an estimated fixed monthly charge based on prior year consumption. The increment charge and standard listed above will be applied to the prior year consumption and divided by 12 months.
